

PROFESSIONAL SUMMARY

Aspiring Full Stack Developer and Computer Science undergraduate with hands-on experience building **MERN-based, AI-assisted web applications** using **React.js, Node.js, Express.js, MongoDB, JavaScript, and REST APIs**. Experienced in developing responsive user interfaces, backend services, database workflows, API integrations, and AI-powered features using **Generative AI and Google Gemini**. Through projects including **Krishi Chakra, Insight Companion, Apex Resume, and WorkSphere AI**, demonstrated the ability to understand real-world requirements, translate them into working solutions, and contribute across the application development lifecycle. Strong in **problem solving, analytical thinking, communication, team collaboration, and continuous learning**, with the ability to quickly adapt to new technologies and take ownership of technical tasks. Seeking to contribute as a dependable entry-level developer to **product development, engineering initiatives, and continuous improvement** while growing with the organization.

EDUCATION

B.Tech – Computer Science and Engineering Lendi Institute of Engineering and Technology (Autonomous), Vizianagaram	2023–2027 Ongoing CGPA: 9.05/10
Intermediate (MPC) Sri Chaitanya Junior College, Vizianagaram	2021–2023 863/1000 A Grade
SSC / 10th Class Bhashyam High School, Vizianagaram	2020–2021 600/600 100%

TECHNICAL SKILLS

Languages	JavaScript, Python, C, SQL
Frontend	React.js, HTML5, CSS3, Tailwind CSS, Bootstrap
Backend	Node.js, Express.js, REST APIs
Databases	MongoDB, MongoDB Atlas, SQL, Database Design
AI & Development	Generative AI, Google Gemini AI, Prompt Engineering, AI-Assisted Development
UI/UX & Tools	Figma, Canva, Balsamiq, Git, GitHub, VS Code, Postman, Codex, Antigravity

PROJECTS

Insight-Companion – AI Assistive Accessibility Platform	<i>React.js, Node.js, MongoDB, Gemini AI</i>
- Developed a mobile-first AI-powered PWA using React.js, Node.js, and MongoDB for environmental narration, obstacle awareness, social context, and safety assistance. - Implemented voice interaction, familiar-person recognition, spatial audio assistance, and GPS-based emergency SOS functionality.	
Krishi Chakra – AI Smart Farming Platform	<i>MERN, Gemini AI, Computer Vision</i>
- Developed a MERN-based platform integrating AI-powered crop disease detection, soil analysis, harvest grading, welfare-scheme matching, and multilingual assistance. - Built REST APIs and offline-first synchronization to support reliable operation in low-connectivity rural environments.	
Apex Resume – AI Resume Builder	<i>React.js, Node.js, Express.js, MongoDB, Gemini AI</i>
- Built a full-stack AI-assisted resume platform using React.js, Node.js, Express.js, and MongoDB with Gemini AI integration for resume optimization and skill recommendations. - Developed backend workflows, structured data processing, and testing mechanisms for reliable resume management.	
WorkSphere AI – Enterprise Workforce Orchestration	<i>React.js, GenAI, Enterprise APIs</i>
- Designed an AI-powered workspace integrating project tracking, repositories, enterprise documentation, and workforce intelligence. - Applied NLP-based skill mapping to connect project requirements with employee skills and recommend personalized learning paths.	

LEADERSHIP

Vice President – AI Verse Club, Lendi Institute Mentor junior members, identify technical knowledge gaps, and develop structured learning resources and technical documentation.	2024–Present
Student Ambassador – Internshala Coordinate student engagement and promote internship and career-development opportunities on campus.	2025–Present

CERTIFICATIONS

ServiceNow Certified System Administrator (CSA) ServiceNow Certified Application Developer (CAD) AWS Academy – Generative AI Foundations AWS Academy – Machine Learning for NLP CCNA: Switching, Routing, and Wireless Essentials – Cisco Networking Fundamentals
--

ACHIEVEMENTS

2nd Prize – AADHRITHA 2026 National Ideathon 2nd Prize – LNIT 2K26 Innovation Summit NPTEL Gold Certificate – Introduction to Internet of Things

SOFT SKILLS & LANGUAGES

Soft Skills: Problem Solving, Analytical Thinking, Communication, Team Collaboration, Leadership, Adaptability, Continuous Learning.
Languages: English, Hindi, Telugu.
